CENTRAL INTELLIGENCE AGENCY

WASHINGTON, D.C. 20505

NATIONAL FOREIGN ASSESSMENT CENTER

16 January 1980

The Chinese have published selected data in US dollars on national income per capita that are significantly lower than our current estimates. The enclosed paper shows that the differences are due primarily to differences in population figures, in the method of converting yuan to dollars, in coverage and in price basis. I would appreciate any comments you might have on the paper.

STATINTL

Sincerely,

Enclosure
